Rancho Mirage, California

Position Summary:

The assistant mechanic position requires previous golf course experience as a mechanic or in a related field. He/She will be responsible to help maintain all equipment used by the department and ability to maintain a safe and organized work area.

Key Responsibilities:

- Help coach staff members on the safe and proper operation of all equipment.
- Function as a tutor in encouraging team members to be diligent with equipment care and operation.
- Assist with maintaining records of equipment repairs, inventory, preventative maintenance and fuel/lubricate usage.
- Maintain a clean, safe and orderly work environment.
- Attend educational seminars to stay current with leading technology and troubleshooting skill.

Knowledge/Skills:

- 2-3 years related experience in the field of mechanics; High school diploma or equivalent.
- Able to demonstrate knowledge of equipment repairs and maintenance through references and work history.
- Ability to read technical manuals and regulatory documents.
- Must have current state issued driver's license.

Salary/Benefits: \$25-\$30 hourly or depending on experience.

- Medical & Dental
- Uniforms
- Vacation Leave
- Holiday Annual Bonus
- Education & Training

Requirements:

Experience with the maintenance and repair of golf course equipment is preferred. Gas engine repair, diesel engine repair, 2-cycle engines and electrical systems. Preferred but not necessary of grinding of reels and bed knives using foley grinders.
